

DSRIP Project Involvement Change Form

This form will be used to add or delete a project from an entities' DSRIP involvement. If adding a project, all deliverables outlined for that project in the implementation plan will be required, and the entity will be eligible for future performance payments. If deleting a project, the entity will no longer be required to do deliverables for that project, and will not be eligible for performance payments associated with that project.

No additions or deletions of project participation will be made without approval from the North Country Initiative Board of Managers.
