

Phase 2 Funds Flow Distribution Webinar Q&A

Please find below the questions and answers from the Phase 2 Funds Flow Distribution Webinars. If you have additional questions, please contact Lindsay Knowlton at 315-755-2020 extension 62 or lknowlton@northcountryinitiative.org.

Question: Do the webform submission procedures only apply 12/31/16 going forward and wouldn't impact any previous quarters?

Answer: Yes, this is correct. The incentive payment schedule was not NCI Board approved for previous quarters.

Question: Who would be the partner signatory on the Remediation form?

Answer: The person with signatory authority at the entity.

Question: You are requiring information due on the last day of the quarter even though the quarter isn't technically over until the end of this day. Am I misunderstanding this?

Answer: No, you aren't. We are trying to be as proactive as possible to ensure no one is surprised on the last day of the quarter and you can plan accordingly. Use your implementation plan to monitor what tasks will be due in a given quarter.

Question: How does the site type translate for a hospital with mental health services?

Answer: They are treated as separate sites. The hospital has both a hospital site and a mental health site.
